## The Mural Project

presented By

The Mural Project presented by Athene is a giant interactive art experience where Festival guests contribute to the creation of a large mural over the three days of the Festival. Guests entering the art activity area will receive one small square image of the original painting, a blank panel, and the opportunity to transfer their interpretation of the small square onto the larger. When finished, the panels are affixed into a billboard-sized frame, piece by piece.

The Mural Project is a collaboration with ArtForce Iowa and youth in Des Moines Public Schools and the Latinos in Action programs at East High School and Roosevelt High School. The project will produce two murals collectively called *Together We Flourish*. "Day" and "Night" are original artworks created by Emma Parker showing flowers of each heritage and ethnicity represented in these schools, along with the youth-centered values reflecting hope, unity, inclusivity, and place. The best part is that once the murals are completed by our community at the Festival, they will be permanently installed at East High School and at Roosevelt High School, forever symbolizing the connection of youth between the two schools.

Come join our partner Athene and their amazing crew of volunteers to create the Festival's newest mural project.

## Boom Art!

presented by

Calling all doodlers! One of the festival's don't-miss activities is the at the popular BOOM Art! Interactive mural project sponsored by MidAmerican Energy Company, which offers festival guests (including kids AND kids at heart) the chance to contribute to an enormous coloring-book styled mural; as each 10-foot section comes to live, the mural is hoisted up to 30 feet in the air by MidAmerican's zero-emission/all-electric bucket trucks. Markers provided, no skills required, and don't be surprised if MidAmerican mascots Sniffie the Sniffasaurus and Louie the Lightning Bug drop by to join the fun.

## Spin Art

presented by

Kids of all ages can join Prairie Meadows and the Altoona Lions Club to create colorful Spin Art. The fun activities just uses paint and a rotating canvas.

The Des Moines Arts Festival® and MidAmerican Energy Foundation, team up to present the Community Outreach Program. This award-winning program offers nonprofit organizations the opportunity to participate on-site and share their mission and programming to thousands of guests free of charge.
